

Bombata®

UPDATE 2026

Bombata bags and backpacks were born from the idea of creating professional and functional products – without sacrificing on contemporary style. Entirely designed in Italy, our vibrant, colourful and contemporary styles have revolutionised the bag world and beamed it into the 21st century through continual innovation with an eye on the latest trends. The signature curved design contours the rectangular shape of laptops and tablets. Devices are protected from everyday knocks and bumps, making it easier and safer to carry them by hand on short journeys, or crossbody for longer trips. The protective inner lining and the durability of the colourful exterior are guaranteed. Plus, available in a variety of sizes, the bags can store different sized laptops to suit every need.
